

# CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Approving Pedestrian Crossing on Woodhaven Lane at Inglewood Drive with Funds Provided by Lodi Unified School District for the Benefit of Woodbridge Elementary School

MEETING DATE: August 15, 2007

PREPARED BY: Public Works Director

**RECOMMENDED ACTION:** Adopt a resolution approving a pedestrian crossing on Woodhaven Lane at Inglewood Drive, as shown in Exhibit A, with funds provided by Lodi Unified School District (LUSD) for the benefit of Woodbridge Elementary School.

**BACKGROUND INFORMATION:** A pedestrian crossing on Woodhaven Lane at Inglewood Drive has been reviewed based on a request from the San Joaquin County Public Works Department. The County received the request from the Woodbridge Municipal Advisory Committee and the Wine Country Subdivision residents. The residents requested a crosswalk across Chestnut Street at Carolina Street for the students attending Woodbridge Elementary School. Currently, there are no sidewalks or paved shoulders on Carolina Street east of Chestnut Street. In addition, the County indicated a crossing on Chestnut Street at Carolina Street is less desirable due to the roadway curvature.

Since the primary entrance to Woodbridge Elementary School was relocated this summer to Lilac Street at Inglewood Drive, and Woodhaven Lane and Inglewood Drive both have sidewalk and handicapped ramps, the County and City Public Works Department staff determined a marked crossing on Woodhaven Lane at Inglewood Drive is the preferred crossing. The proposed ladder-designed crossing will have pedestrian signs posted adjacent to the crossing.

The County has indicated all interested parties are in favor of a marked crossing on the north leg of Woodhaven Lane at Inglewood Drive. Based on field observations, only a few students will utilize this crossing, however, LUSD and Woodbridge Elementary School staff will encourage the students to cross at this location. The most current traffic count indicates 700 vehicles travel on Woodhaven Lane during the morning and afternoon peak hour. LUSD concurs with the recommended crossing and has indicated they will fund the improvements.

**FISCAL IMPACT:** There is no annual maintenance cost. However, the signs will need to be replaced every ten years at an approximate cost of \$300, and the thermoplastic crossing will need to be replaced every five years at an approximate cost of \$2,300.

**FUNDING AVAILABLE:** LUSD is funding the pedestrian crossing improvements at an approximate cost of \$2,940.
